

S8

## Wide choice, compact design

### The benefits at a glance

- Professional Aroma Grinder for ideal grinding results over the entire service life
- 4.3" touchscreen colour display with sophisticated operating concept for intuitive navigation
- Professional fine foam frother G2 for speciality coffees with the best milk foam quality
- One-Touch function for 15 speciality coffees – from espresso to latte macchiato

Careful attention to detail maintenance definitely puts the stylish design of the S8 in a class of its own. The high-quality, grooved water tank with a handle made of real metal and the heavy, chrome-plated cup grille add subtle accents. With its clear cut, sculptural design, the stylish S line exudes quality and precision in every way. It combines the best of the compact class with elements of the premium segment, including a hint of GIGA. It creates the full range of speciality coffees to an impressive standard of quality at the touch of a button. With state-of-the-art comfort thanks to its generous 4.3" touchscreen colour display, it is intuitively easy to operate. Thanks to the integrated Smart Connect and J.O.E.<sup>®</sup>, it is even possible to operate and individualise it using a smartphone or tablet.
