ENA 5 Night Inox (EA)

Stylish coffee indulgence for every situation

It stands for innovation and offers a creative approach to our contemporary lifestyle: the ENA 5 is the first automatic coffee machine suited to every conceivable situation. Its compact format offers three different brewing processes; Hot, Cold and, brand new: Light Brew. Using less coffee and extracted at a brewing temperature of approx. 60 °C, the Light Brew offers the ultimate ready-to-drink indulgence.

The ENA 5 is characterised by the high standard of the compact class, combined with JURA's innovative technologies. It presents itself as a coffee-only automatic machine that satisfies the desire for something special. The TFT touchscreen of the ENA 5 shows the three brewing methods against different background colours, offering coffee-lovers a simple visual guide through the menu. The rounded design details of the housing, combined with the straight-lined stylistic language, really catch the eye. Even the water tank, with its large-scale diamond pattern, and the chromium-plated coffee spout command attention.

The ENA 5 oozes elegance and uniqueness in the Night Inox colour, delighting coffee-lovers who are fans of innovation and premium quality.

Benefits at a glance:

- Hot Brew: intense espresso and coffee thanks to the P.E.P.® and standard brewing process
- Cold Brew: extracted with high-pressure pulses of cold water using the espresso method
- Light Brew: the ultimate, ready-to-drink mild beverage

ENA 5

Technical overview

Specific advantages

Number of specialities	6
Cold Extraction Process	■
Light Extraction Process	■
Wi-Fi connection to home network	■

JURA coffee machine standards

Grinder	Professional Aroma Grinder
Powder chute for ground coffee	■
Pulse Extraction Process (P.E.P.®)	■
3D brewing technology	■
Variable brewing unit	6 – 10 g
High-performance pump, 15 bar	1
Thermoblock heating system	1
Fluid systems	1

Operating and programming standards

Display	2.8" touchscreen colour display
Individually programmable quantity of water for coffee	■
Individually programmable coffee strength	10 levels
Individually programmable brewing temperature	3 levels
Compatible with J.O.E.®	■

Hygiene standards

Automatic filter detection	■
Filter cartridge	CLARIS Smart+
Integrated rinsing, cleaning and descaling programme	■
Monitored drip tray	■
JURA hygiene: TÜV-certified	■

Energy standards

Energy Save Mode (E.S.M.©)	■
Zero-Energy Switch or power switch	■
Programmable switch-off time	■

Design and materials

Painted front panels	■

In figures

Height-adjustable coffee spout	75 – 105 mm
Water tank capacity	1.1 l
Bean container holding capacity	125 g
Coffee grounds container (approx. servings)	10
Cable length	1.1 m
Voltage / power	230 V ~ / 1450 W
Current	10 A
Stand-by power	0 W
Weight	8.7 kg
Dimensions (W × H × D)	27.1 × 32.3 × 44.5 cm
Article number	15696
Product code	ENA 5 Night Inox (EA)
EAN code	7610917156962
