C9 Piano Black (EA)

Two worlds of indulgence in a compact format

It impresses with hot brew and light brew and conjures up full-bodied to light and airy coffee flavours in the cup. With its Professional Aroma Grinder, three brewing processes and full-size brewing unit, the C9 masters 17 speciality coffees. The selection includes popular classics and the flat white, cortado and espresso macchiato trend specialities. It offers the ultimate ready-to-drink indulgence with mild, aromatic light brew specialities. The innovative technologies of the C9 allow you to adjust the aroma, the amount of coffee and milk and the temperature individually. The powder chute, which is easily activated via the menu, is ideal for decaffeinated enjoyment. Equipped with an optional Wi-Fi Connect, the automatic coffee machine is compatible with J.O.E.®. The app simplifies user-specific settings and offers additional functions. The design of the compact C9 is based on JURA's premium-class machines. Both the water tank and the chromium-plated cup grille are characterised by wave-shaped structures. The convex-concave front radiates elegance and class and harmoniously incorporates the 2.8-inch colour display into the overall design

Benefits at a glance

- 17 speciality coffees – from pure coffee classics to Flat White, cortado and macchiato
- Hot Brew and Light Brew: Two worlds of indulgence thanks to three brewing processes and a full-size brewing unit
- Inspired by the timeless, top-of-the-range wave design
- Elegant 2.8" color display and user-friendly navigation for personalised coffee enjoyment

C9

Technical overview

Specific advantages
