S10 Obsidian Black (EA)

Variety. Innovation. Premium quality.

Expressive design, state-of-the-art technology and intuitive operation: the S10 sets clear standards in the premium mid-segment. Its 27 cm width and clean lines highlight the elegant design – underlined by exquisite materials. The cup grille and aroma preservation cover made of solid die-cast zinc complete the overall look, offering tangible quality.

The diversity of the S10 is reflected in four worlds of indulgence and 45 specialities – from classic Hot Brew creations such as espresso and latte macchiato to Light Brew, Cold Brew and Sweet Foam. In addition, a newly developed extraction process ensures an intense Cold Brew experience. Prepared slowly, the Intense Cold Brew develops its characteristic depth drop by drop.

The P.A.G.2+ precision grinder with aroma control guarantees exact grinding, delivers a clear flavour profile and brings out all the subtle nuances of every speciality. Logical operating functions, personalised profiles and the Coffee Eye shape the user experience and round off the overall concept of this premium mid-range automatic coffee machine.

Benefits at a glance

- Four worlds of indulgence with 45 specialities, including the new Intense Cold Brew
- Milk and finely textured milk foam at the touch of a button thanks to the professional fine foam frother
- Intuitive operation via the responsive 4.3" touch display
- Slimline design with precise lines and solid die-cast zinc details

S10
